

WILLAMETTE SURGERY CENTER

We seek a sterile processing technician to join our team!

We seek a seasoned, dynamic, quality-focused sterile processing technician for our fast-paced, high volume ambulatory surgical center. Responsible for the effective cleaning, maintenance, proper sterilization and distribution of sterile instrumentation and equipment. This position may also function as a certified endoscopy technician on a part-time basis, assisting surgeons in the operating room with endoscope procedures on patients. This position is full-time Monday-Friday.

Minimum Qualifications:

- Demonstrated attention to detail to properly follow procedures
- Superior customer service skills
- High School diploma or GED
- Ability to pass background and drug screens

Our ideal candidate has:

- Current sterile processing technician certification CRCST or CBSPD or required within 9 months of hire
- Current C.F.E.R. GI Scope certification or required within 12 months of hire
- Prior sterile processing experience
- Orthopedic experience preferred

To Apply: Submit your application, resume and cover letter to careers@hopeorthopedics.com or fax to (503)316-3780. Download our application at <http://willamettesurgerycenter.com/index.php/careers/>

Willamette Surgery Center is a technologically advanced outpatient surgery center. Our mission is to provide the highest quality patient services through heartfelt, professional care.
