

WE SEEK A CERTIFIED SURGICAL TECHNOLOGIST TO JOIN OUR ASC TEAM!

We seek a seasoned, dynamic, quality-focused surgical technologist for the operating room. General responsibilities include: scrubbing for all orthopedic procedures, preparing instruments and supplies to perform procedures according to the physician's documented preferred routine, and preparing the operating field for procedures. This position is full-time, Monday-Friday.

Our ideal candidate has:

- CST certification;
- Certificate or degree from an accredited surgical tech program;
- Prior experience working in the operating room;
- Orthopedic experience preferred;
- Demonstrated attention to detail;
- Superior customer service skills;
- Strong communication and interpersonal skills, with compassion and empathy; and
- Ability to maintain patience and composure when faced with challenging situations.

To Apply: This position requires a resume, cover letter and application. Please visit
